

Disruptive measurement solution **for IoT**

From strain measurement to cloud or mobile data

Nanolike enhances your industrial IoT applications

**FAST AND EASY
INTEGRATION**

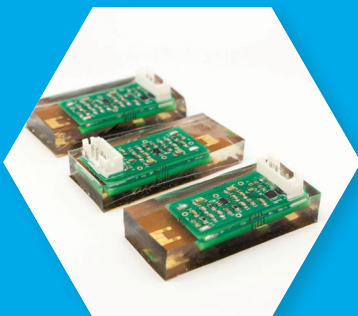

INTEROPERABILITY

**UP TO 10 YEARS
OF AUTONOMY**

MEASUREMENT

The world's least energy consuming strain measurement for industrial IoT.

INTELLIGENCE & CONNECTIVITY

Connectivity multi operators & custom functionalities

OPERATIONAL DATA

Cloud & mobile applications

Make industry 4.0 together

**At Nanolike, we innovate in the nanotechnology field
to build tomorrow's industry.**

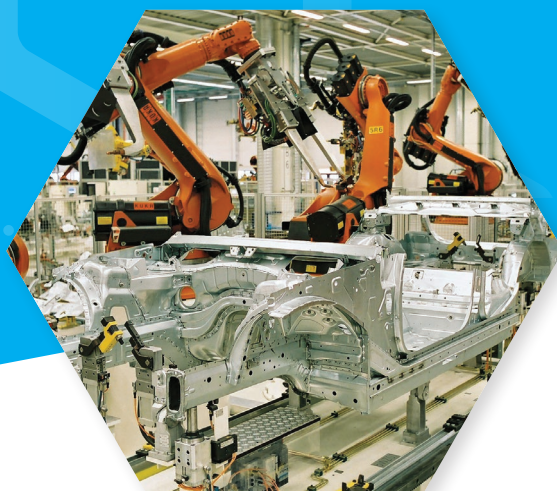

LOGISTICS OPTIMIZATION

PREDICTIVE MAINTENANCE

STRUCTURAL HEALTH MONITORING

FACTORY OF THE FUTURE
